betopia™
Limited

From Bangladesh to the World
Delivering AI, Cloud and Digital Transformation

14+ Years of Excellence | **5000+** Global Talent | **80+** Country Network | **05+** Global Office

VISION STATEMENT

14 Years. 5,000+ Talent. ISO Triple-Certified.
Delivering AI, Cloud and Digital Transformation to
Enterprises Across 80+ Countries.

Our Mission

To help organizations modernize, scale, and lead through AI-powered platforms, cloud engineering, enterprise technology and high performance talent.

Our Vision

To become a globally trusted technology and talent infrastructure company that empowers enterprises, institutions and communities to grow beyond limits.

Our Values

At Betopia, five core values guide us: Courage to lead boldly, Compassion to build relationships, Collaboration for stronger outcomes, Integrity to earn trust, and Curiosity to drive innovation, defining us as a trusted global partner.

LEADERS

Muhammad Monir Hossain is the Managing Director & Group CEO of Betopia Group, a global conglomerate redefining industries across IT, FinTech, and Energy, Real Estate, Import – Export, Manufacturing, Supply Chain, and Education.

From humble beginnings as a freelancer in 2013 to leading a workforce of 5,000+ global talent, his journey is a testament to resilience and vision.

Muhammad Monir Hossain
Managing Director and Group CEO

Sabina Akter, Chairperson of Betopia Group, represents a new era of visionary leadership driving innovation, empowering women and youth, and building sustainable ecosystems. Through strategic initiatives and forward-thinking leadership, she is shaping the future of technology, entrepreneurship, and national growth.
